

## Machine Beyond Man's Control; Mill Barons' Feudalism Opposed

Richmond, Va., Jan. 24.—"The machine, whose sole excuse is to lighten the burden of mankind, misery, degradation, unrest and crime. This problem challenges modern civilization. It calls for an immediate solution."

Mr. Hall referred to the Danville strike and the failure of the Federal Government and the State of Virginia to adjust this dispute through moral

individual worker and oftentimes increasing production with fewer employees," said John Hopkins Hall, Jr., Virginia Commissioner of Labor.

"The machine has also prohibited employment of persons over 45 years of age, throwing

"This brings us to the problem of the present era—unemployment—

## PROHIBITION PROBES REPORT;

## CONFLICTING VIEWS SUBMITTED

The 11 members of the commission, headed by former Attorney General Wickersham, presented a candid and unvarnished report to the president.

Corruption that has followed the prohibition law was agreed to. "There is yet no adequate observance or enforcement," it

Miami, Jan. 24.—The A. F. of L. Executive Council approved a plan of representatives of A. F. of L. affiliates to secure 2.75 beer modification of the

for Adams placed Rev. Dr. Johnson, Colorado bishop of the Episcopal Church, in charge of the State penitentiary here.

The convicts staged a rebellion in October, 1929, when 13 lives were lost. Colonel Patrick J. Hamrock was given

Philadelphia, Jan. 24.—Officers of the American Federation of Full Fashioned Hosiery Workers, a unit of United Textile Workers, call on city officials to awake to destitution in this city.

control of the pen with dictatorial powers, but his own discipline has failed.

Hanrock used the same methods in Colorado, striking coal miners, in 1923. He was elected governor in 1924, and transformed the State militia into a "thunder squad" to enter Southern Colorado. The miners shot up into the mines' tent colony

at Ludlow on Apr. 14, 1914, when more than a score of men, women and children were killed.

**WANTS STATE LABOR  
ON PUBLIC BUILDINGS**

Dover, Del., Jan. 24.—Legislation requiring all labor employed on public

The governor said he opposes the State entering business, but this is

Washington, Jan. 24.—The Senate, by a 56 to 27 vote, appropriated \$25,000,000 for the relief of the unemployed.

Instead of appointment by the governor, or election by the Legislature, as is the present practice, is favored by Representative Herrick.

Under the Herrick proposal judicial candidates would be chosen at political party conventions and elected for six years.

**GASOLINE TAX \$18**

New York, Jan. 24.—Motorists in this country paid an average of more than \$18 each for gasoline taxes last year, according to Owen B. Augsburger, president New York Automobile Club.

## PROTEST SALARY CUT

**MORE RELIEF NEEDED**

The Boston A. F. of E. convention made this reference to the power of radio:

"Radio takes its place along side of the development of the printing press and the public school; it is the super power of our age. It has revolutionized industry and entertainment. Whoever controls radio broadcasting in the years to come will control the future."

New York, Jan. 24.—Local relief agencies face depleted funds and their resources are strained to meet the ravages of unemployment according to the Welfare Council. This organization is a clearing house for New York City welfare societies.

Millions of dollars have been collected by the city's various welfare organizations since the war began. But they are now almost exhausted.

## JURY SYSTEM OPPOSED

people, a constant stream of song and story, of history, science, economics, politics and propaganda. Overshadowing and outreaching all other human means of communication, radio has become the unrivaled master of human destiny."

Trade unionists and sympathizers are urged, by the A. F. of L., to ask their Congressmen and Senators to favor the Glenn and Reid resolutions.
